Financial Statements of

ST. MARY'S GENERAL HOSPITAL FOUNDATION

And Independent Auditors' Report thereon Year ended March 31, 2022

KPMG LLP 120 Victoria Street South Suite 600 Kitchener ON N2G 2B3 Canada Tel 519-747-8800 Fax 519-747-8811

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of St. Mary's General Hospital Foundation

Opinions, including Qualified Opinion on the Results of Operations and Cash Flows

We have audited the financial statements of St. Mary's General Hospital Foundation (the "Entity"), which comprise:

- the statement of financial position as at March 31, 2022
- the statement of operations for the year then ended
- the statement of changes in net assets for the year then ended
- · the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

Unmodified Opinion on the Financial Position

In our opinion, the accompanying financial statements presents fairly, in all material respects, the financial position of the Entity as at March 31, 2022 in accordance with Canadian accounting standards for not-for-profit organizations.

Qualified Opinion on the Results of Operations and Cash Flows

In our opinion, except for the possible effects on the comparative information of the matter described in the "Basis for Qualified Opinions, including Basis for Qualified Opinion on the Results of Operations and Cash Flows" section of our auditors' report, the accompanying statement of operations and statement of cash flows present fairly, in all material respects, the financial performance and cash flows of the Entity for the year ended March 31, 2022 in accordance with Canadian accounting standards for not-for-profit organizations.

Page 2

Basis for Opinions, including Basis for Qualified Opinion on the Results of Operations and Cash Flows

In common with many not-for-profit organizations, the Entity derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Entity.

Therefore, since opening cash enter into the determination of results of operations and cash flows, we were not able to determine whether adjustments might be necessary to:

- the excess of revenue over expenses reported in the statement operations for the year ended March 31, 2021
- the excess of revenue over expenses reported in the statement of changes in net assets for the year ended March 31, 2021
- the components of cash flows from operating activities reported in the statement of cash flows for the year ended March 31, 2021.

Our opinion on the results of operations and cash flows for the year ended March 31, 2021 was qualified accordingly because of the possible effects of this limitation in scope.

As a result, our opinion on the results of operations and cash flows for the year ended March 31, 2022 is also qualified because of the possible effects of this matter on the comparability of the current period's figures to the comparative information.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified opinion on the financial position and our qualified opinion on the results of operations and cash flows.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Page 3

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Page 4

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other
 matters, the planned scope and timing of the audit and significant audit
 findings, including any significant deficiencies in internal control that we identify
 during our audit.

Notes to Financial Statements

Year ended March 31, 2022

St. Mary's General Hospital Foundation (the "Foundation") is a public charitable foundation registered under the Income Tax Act (Canada). The main activities of the Foundation are to solicit and receive donations for the advancement of St. Mary's General Hospital, Kitchener, Ontario (the "Hospital"). All of the assets of the Foundation are for the benefit of St. Mary's General Hospital.

1. Significant accounting policies:

The Foundation prepares its financial statements in accordance with Canadian Accounting Standards for not-for-profit organizations in Part III of the CPA Handbook.

(a) Fund accounting:

The Foundation follows the restricted fund method of accounting for contributions.

The General Fund accounts for the Foundation's program delivery and administrative activities. This fund reports unrestricted resources and donations.

The Restricted Fund reports donations with restrictions on use specified by the donors.

The Capital Fund reports the assets, liabilities, revenue and expenses related to the Foundation's capital assets.

The Sweeney Endowment Fund reports resources contributed for endowment, which are invested in perpetuity.

(b) Revenue recognition:

Restricted contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions are recognized as revenue in the related endowment fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Investment income earned in the endowment funds are resources that must be spent for prescribed purposes and are recognized as restricted revenue of the endowment funds.

Notes to Financial Statements (continued)

Year ended March 31, 2022

1. Significant accounting policies (continued):

(c) Capital assets:

Purchased capital assets are recorded at cost. Repair and maintenance costs are charged to expense. Betterments which extend the estimated useful life of an asset are capitalized. When a capital asset no longer contributes to the Foundation's ability to provide services, its carrying amount is written down to its residual value.

Capital assets are amortized on a straight-line basis at annual rates varying from 10% to 33%.

(d) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

(e) Pledges:

Pledges to donate funds to the Foundation are not recorded in the accounts until such time as funds are received. As of March 31, 2022, outstanding pledges to the Foundation amounted to approximately \$4,876,008 (2021 - \$626,455).

(f) Donations in kind:

Donated items which would otherwise be paid for by the Foundation are recorded at fair market value when provided. Fair market value is determined by third party valuations and invoices.

(g) Life insurance policies:

Life insurance policies are treated as assets of the General Fund to the extent of the cash surrender value.

(h) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Notes to Financial Statements (continued)

Year ended March 31, 2022

1. Significant accounting policies (continued):

(h) Financial instruments (continued):

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(i) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenue and expenses during the years. Significant items subject to such estimates and assumptions include the carrying amount of capital assets, valuation allowances for receivables and accrued liabilities. Actual results could differ from those estimates.

2. Investments:

Book value		Fair value
\$ 5,234,989	\$	7,576,863

	\$ 13,769,031	\$	15,607,870		

Notes to Financial Statements (continued)

Year ended March 31, 2022

3. Life insurance policies:

The Foundation has been given life insurance policies under which it is the owner and beneficiary, and annual donations are received to cover the premiums. At March 31, 2022, the cash surrender value of the policies was \$53,072 (2021 - \$52,030) while the face value of the policies was \$838,222 (2021 - \$838,219). As the realizable amount under the policies is uncertain, the Foundation will record any gain as revenue when the final proceeds are received.

4. Capital assets:

	2022	2021
Equipment, at cost Accumulated amortization	\$ 17,994 1,374	\$ 7,616 4,801
Net book value	\$ 16,620	\$ 2,815

5. Investment in Oculys:

On October 21, 2019 the Foundation entered a share purchase agreement ("SPA") with Vitalhub Corp. for the sale of its shares in Oculys Health Information Inc. ("Oculys").

Upon closing in 2020, 2,847,151 shares of Vitalhub were placed in escrow having a fair market value of \$512,487. These shares are subject to the terms of a Share Escrow Agreement which provides for an even release of the shares on May 18th and November 18th each year until May 18, 2022. While the shares are held in escrow, the Foundation retains control of the shares through its right to receive dividends and other distributions, exercise voting rights, and exchange or convert the shares in accordance with the Share Escrow Agreement. During the current year, 113,886 (2021 - 113,886) Vitalhub shares were received from escrow resulting in a balance of 56,943 shares remaining in escrow as at March 31, 2022 (2021 - 170,829).

In 2021, a conclusion was reached with respect to the cash held in escrow which resulted in a reduction of \$33,313 to the Foundation's cash entitlement. This reduction was recorded as a loss on sale of investment in Oculys in the statement of operations in 2021.

There is a contingent earn-out for a term of 3 years from the date of closing. The contingent earn-out is indeterminable at this time due to uncertainty in the current projections presented and impact of COVID-19.

Notes to Financial Statements (continued)

Year ended March 31, 2022

6. The Physicians' Restricted Fund:

By an agreement made between the Foundation and The Kitchener and Waterloo Community Foundation (the "Community Foundation") dated August 11, 1998, the Foundation transferred the assets of the Physicians' Fund held at that date to the Community Foundation to be held and invested by it as the "St. Mary's General Hospital Foundation Physicians' Fund". The assets are owned by the Community Foundation and, as such, are not shown as assets on the financial statements of the Foundation.

The fair value, and activity in the St. Mary's General Hospital Foundation Physicians' Fund of the Community Foundation for the year ended March 31, 2022 is illustrated below:

	2022	2021
Fair value, beginning of year	\$ 103,029	\$ 90,347
Increase in fund: Investment gain	7,371	18,252
Decreases in fund: Administration fees Distribution of income component to the Foundation	(1,775) (4,100)	(1,670) (3,900)
	1,496	12,682
Fair value, end of year	\$ 104,525	\$ 103,029

7. Fundraising revenue:

Fundraising revenue includes the following amounts received from related parties:

	2022	2021
St. Mary's General Hospital Volunteer Association	\$ 3,256	\$ 7,000

8. Related party transactions:

St. Mary's General Hospital has an economic interest in the St. Mary's General Hospital Foundation. During the year, the Foundation granted \$4,676,160 (2021 - \$3,540,876) to St. Mary's General Hospital, to fund capital projects and operations. During the year, the Foundation purchased services in the amount of \$7,410 (2021 - \$6,840) from St. Mary's General Hospital.

Year ended March 31, 2022

9. Transfer of funds to restricted:

The Sweeney Endowment Fund has been largely inactive in the last several years, therefore, during the fiscal year, the Sweeney Endowment Fund was closed (with no objections from the donor) and the remaining funds were transferred to the Restricted Fund.

During the fiscal year, the Capital Fund was transferred into the General Fund.

10. Financial risks:

The Foundation manages its investment portfolio to earn investment income and invests according to a Statement of Investment Policy approved by The Board. The Foundation is not involved in any hedging relationships through its operations and does not hold or use any derivative financial instruments for trading purposes.

The Foundation believes that it is not exposed to significant interest-rate, market, credit or cash flow risk arising from its financial instruments. There has been no change to the risk exposure from 2021.

Additionally, the Foundation believes it is not exposed to significant liquidity risk as all investments are held in instruments that are highly liquid and can be disposed of to settle commitments. The Foundation manages any remaining liquidity risk by monitoring its operating requirements and preparing budget forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no change to the risk exposure from 2021.

Investments that trade in foreign markets are exposed to currency risk as the price in local terms on the foreign stock exchange is converted to Canadian dollars to determine fair value. The Foundation's overall currency positions are monitored by the portfolio manager. There has been no change to the risk exposure from 2021.

11. Comparative Information

Certain comparative information has been reclassified to conform with the financial statement presentation adopted in the current year.
