St. Mary's General Hospital Foundation Gift of Securities Transfer Form

Donation of Publicly Traded Securities

Donating a gift of securities is one way to support St. Mary's General Hospital Foundation (SMGHF). In some instances, Canadians who donate appreciated securities (including stocks, bonds and mutual funds) directly to a registered charity may eliminate or reduce capital gains tax on the investment. We highly recommend that you speak with a tax professional to learn more about tax rules and their implications and to discuss your plans and options.

Instructions for donating a gift of securities:
